eXtyles and Edifix

➤ eXtyles' reference parsing and editorial styling

The screenshot displays the Microsoft Word interface with the eXtyles ribbon active. The ribbon includes tabs for File, Home, Insert, Design, Layout, References, Mailings, Review, View, MathType, and a search bar. The Font section shows the font set to Arial, size 14, with options for bold, italic, underline, and text color. The Paragraph section shows alignment and bullet point options. The Styles section shows various styles including Normal, No Spacing, and several heading styles. The main document area contains the following text:

*Significant at the 10% level.¶
